FEATURING BRICELAND VINEYARDS & ELK PRAIRIE VINEYARDS

CURRENT FEATURED WHITE WINES

2006 SAUVIGNON BLANC

Humboldt County, organically grown in four small vineyards, these grapes are crushed and pressed with extreme care and protected from oxidation to retain the fine fruity quality of the Humboldt grapes. Very well balanced and aromatic: citrus and herbs. SILVER MEDAL, HUMBOLDT COUNTY FAIR

2006 ARNEIS

SPIRIT CANYON VINEYARD, MENDOCINO

This wine is an Italian variety grown in miniscule amounts here in California. Spirit Canyon Vineyard is found along the Russia River, south of Ukiah. Arneis has good body and balanced acidity with its own unique flavor profile of hazelnuts, pears, and almonds. Excellent quaffing wine. On a hot afternoon enjoy this wine with a couple of ice cubes!

2006 ROSE OF PINOT NOIR, HUMBOLDT COUNTY

We made a Rose after a three year hiatus, because we like it so much ourselves! It is 100% Pinot Noir from our four local vineyards. It has intense cherry aromas with a white wine structure. Served cold, it is like a fresh breeze on a warm summer afternoon

CURRENT FEATURED RED WINES

PINOT NOIR

ELK PRAIRIE VINEYARD

In Southern Humboldt County at 1200ft. elevation, on a ridge above ancient redwoods, we dry farm and maintain small yields, requiring extensive hand cultivation. Our mild and warm coastal climate allows grapes more time on the vines. Small fermentation bins gives our Pinot Noir flavors of mixed berries, bright cherries, baking spices, and a hint of herb and chocolate. Soft, sweet tannins are the finishing touch!

CABERNET FRANC

ELK PRAIRIE VINEYARD

The genetic parent of Cabernet Sauvignon is earthy and complex, full of spice, licorice, plums, cherries, berries, a touch of violet, and soft tannins.

2005 SYRAH

WINDREM VINEYARD, LAKE COUNTY

A winemaker friend of mine from Lakeport once told me that Lake County and Syrah grapes were meant for each other. So here we have our first vintage of Windrem Vineyards, Syrah. After a year and a half of bottle age, the wine has smooth integrated flavors and aromas. BRONZE MEDAL, Orange County Fair.
